

## ♥ Materials

- Happy Happy Girls fabric (pink) : approx. 110 x 50cm (43.3 x 19.7inches)
- Ribbon patterned fabric (For parts E, F, bottom, and facing): approx. 110 x 50cm (43.3 x 19.7inches)
- Dotted fabric for handles: approx. 20 x 40cm (7.9 x 15.7inches)
- Fusible Interlining: approx. 20 x 40cm (7.9 x 15.7 inches)
- Thick fusible quilt batting: approx. 110 x 40cm (43.3 x 15.7inches)
- Other pieces of fabric: 6 types
- Fabric for the yo-yo part: 2 types
- Lining: approx. 110 x 40cm (43.4 x 19.7 inches)
- A button: 2.5cm (1inch)
- Ribbons and lace: 3 types
- A brooch pin: 2.5cm (1inch)

## ♥ Instructions Seam allowance 0.8cm (0.3inches) otherwise specified

- ① Prepare the hexagon patchwork (A to D) then sew the parts E and F to the top and bottom. < bag body, outer fabric and lining >
- ② Mark where you want to quilt on the fabric you just made and on the bottom piece.
- ③ Leave a seam allowance of 2.5cm (1inch) on the bag body, sides and lining for the bottom. (For the bag opening leave a seam allowance of 0.8cm/0.3inches)  
To the fabric you just made apply the fusible quilt batting that you have cut beforehand. Baste then quilt.
- ④ Place the two fabric together, right side in and sew the sides. Cover the seam with the lining, blind stitch.
- ⑤ Sew the bag body and bottom together. Cover the seam then blind stitch.
- ⑥ Make the handles. Prepare the fabric cutting at 10 x 40cm (3.9 x 15.7inches) then apply the fusible interlining of the same size. Fold in four. Machine stitch both sides.
- ⑦ Cut two pieces of facing cloth with 1cm (0.4inches) seam allowance. Sew both sides, right side in.
- ⑧ Tuck the handles in between the bag opening and the facing. Sew them all together. Blind stitch the facing to the lining of the bag body.
- ⑨ Make the big and small yo-yos. Place them on top of another and sew the button on them. Sew the ribbons and lace to the back. Attach the brooch pin.

Sewing Pattern reduced by 50%

※ Use this pattern enlarged by 200%

- ⑥ Fold the fabric for the handles in four, right side out. Machine stitch both sides.

### ♥ How to make the hexagon patchwork

- ① Place two pieces, right side in and sew as specified on diagram. Backstitch the beginning and end.
- ② Sew line by line.
- ③ Sew together the first row and second row. Followed by second and third.

### ♥ How to make the yo-yos

Large : Diameter 16.5cm (6.5inches)  
Small : Diameter 11cm (4.3inches)

1. Whilst folding the seam towards the back from the side, sew running stitches of 1cm at approx. 0.15cm (0.06inch) from the fold.  
※ Note) If you sew too inwards from the fold the seam becomes bumpy. Plus, if the stitches are too short the hole at the center gets too big.
2. Once you sew one round, pull the needle out to the surface. Make a French knot.
3. Tweak so the hole comes to the center. Pull the needle out right by the French knot.
4. Run the needle two times (0.2-0.3cm/0.08-0.1inches) through the outer fabric then make a French knot.  
※ To prevent the center from moving

Quilt along the opposite side of the border to where the seam is tucked
