Begin by cutting all your squares using the cutting chart for reference. All squares are cut $2\frac{1}{2}$ " and will finish 2". When cutting your triangles, first cut a $2\frac{7}{8}$ " square and then sub cut corner to corner to create 2 triangles as in diagram 1.

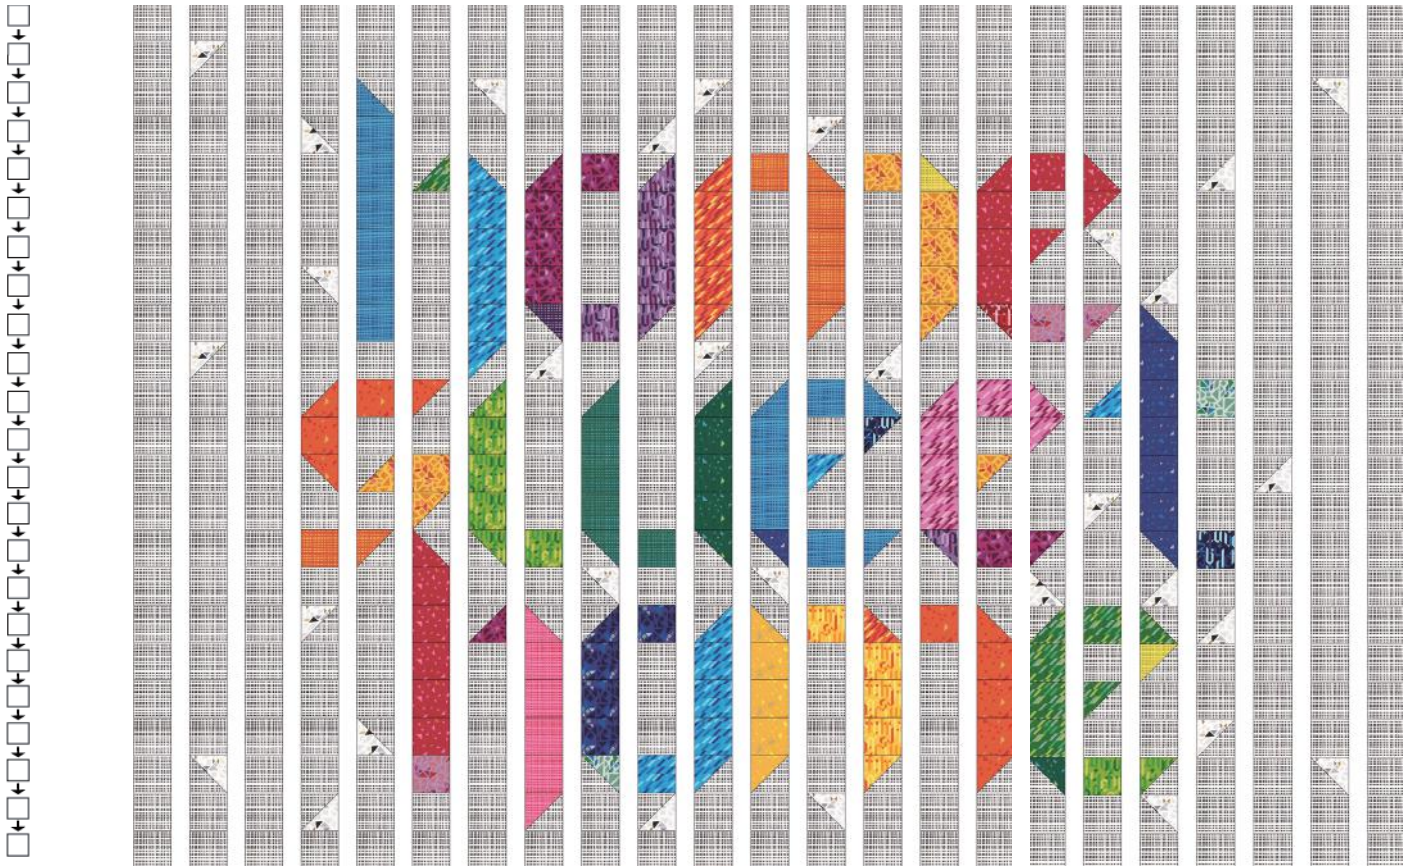

Each half square triangle block will include the background fabric as one of the triangles. Assemble all half square triangles into squares using the Cutting Chart as reference. Using a design wall or the floor, layout the squares according to the diagram below.

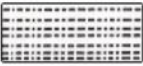

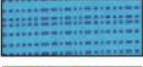

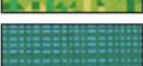

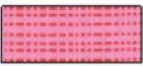

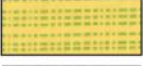

LECIEN

There are 23 squares in each column. Assemble the squares in columns, then assemble the columns as shown in diagram. The quilt will finish 46" X 46".

Once your quilt top is assembled, layer, quilt as desired and bind. Enjoy!

Make stuff and be nice!

	Number	Color	Yardage Estimate	Number of Squares	Number of Triangles
	31447	10 White	1 + 7/8 yd	330	98
	31449	10 White	1/4yd	0	32
	31447	70 Bule	1/8 yd	11	4
	31445	60 Green	1/8yd	4	4
