For this quilt we used Clover's small sized "QUICK" yo-yo maker (approx. 1 1/4" round).

(63) x yo-yo's for the posts

Following the picture, assembly blocks and sashings into rows. Stitch rows and sashing together to finish the center of the quilt.

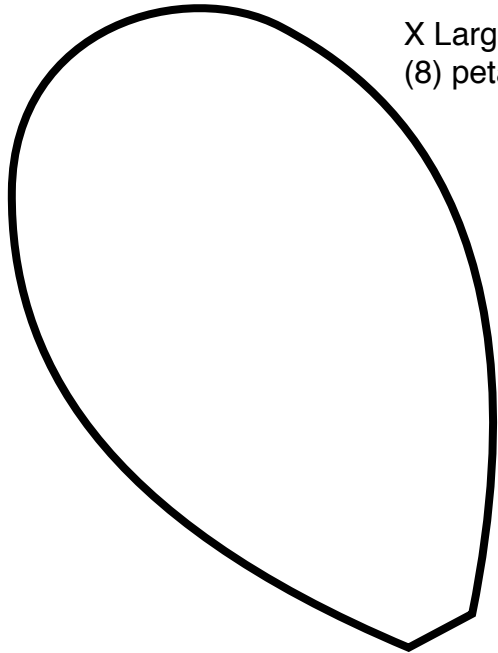

Add left and right borders first and then finish with the top and the bottom borders.

Using your preferred applique method, attach yo-yo's, 1/4" finished bias stems, flowers and leaves following the photograph on the front cover.

Quilting

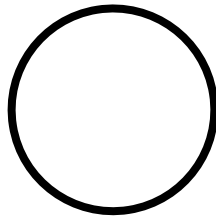

Layer, baste and quilt as desired. Attach binding using your favorite method.
