 - Sew a 3 1/2" x 5" rectangle to each of the nine sections, as shown. Press seams toward rectangle.

- Quilt & bind as desired. • For the table-runners, I used a rick-rack trim as an option. Simply baste rick-rack to edges of quilt before stitching on binding. After binding is stitched on edges, turn binding completely to the back of the quilt & stitch down. This will expose the rick-rack trim along the edges of the table-runner.
