

Tote Bag and Half Apron ONE YARD MAGIC!

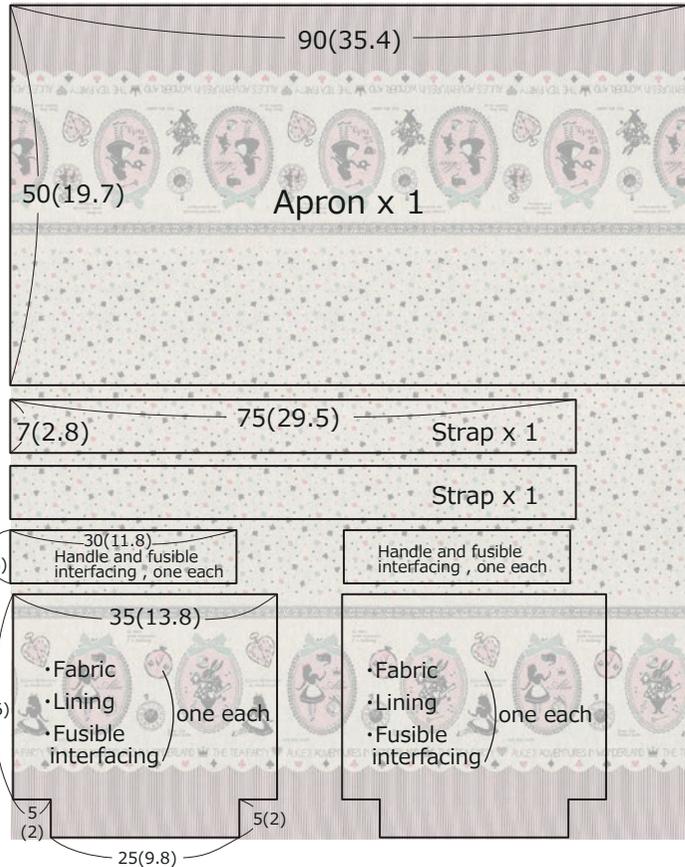

Materials

Fabric: width 110cm(43.4in) x 0.9m(35.4in)
 Lining: width 110cm(43.4in) x 0.4m(15.7in)
 Fusible interfacing: width 110cm(43.4in) x 0.5m(19.7in)
 One pair of 14mm magnetic snaps

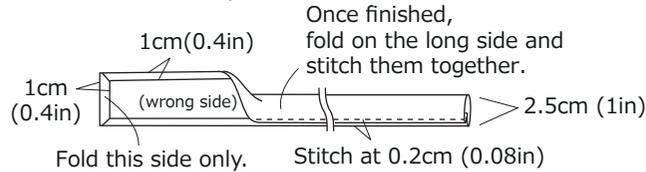

Sewing Pattern

Unit: cm and inches in brackets
 Seam allowance is included.
 Attach the fusible interfacing to the wrong side of the fabric.

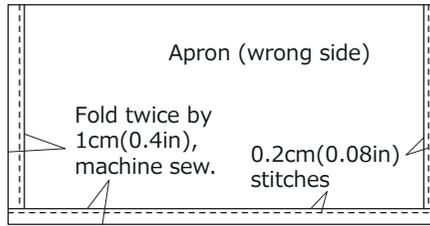

HALF APRON

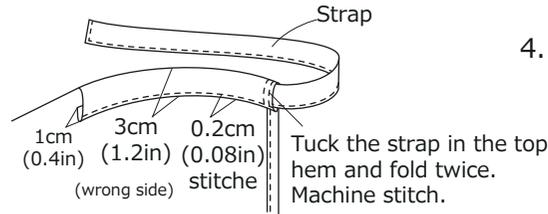

1. Make the straps.

2. Sew the sides and the hem.

3. Attach the straps and sew the top hem.

TOTE BAG

1. Sew the magnetic snaps on the lining, at the middle of the bag opening part.

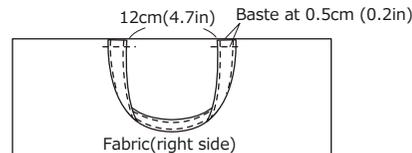

2. Make the handles then sew them to the bag.

① Fold the handle on the long side. Stitch both sides.

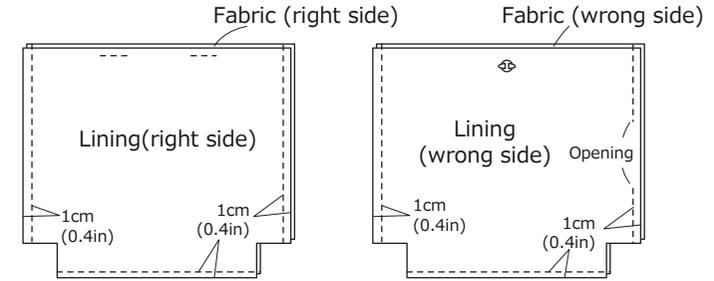

② Baste the handles to the fabric

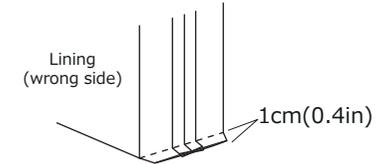

3. Make the bag part.

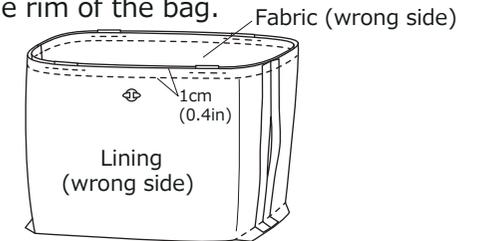

① Place the two fabric right side in and sew the sides and the bottom. Sew the two lining fabric together too, leaving an opening.

② Sew the gussets on both layers of the bag.

4. Place the fabric and lining together right side in. Sew the rim of the bag.

5. Finish up.

① Pull the bag assembly out from the opening. Sew the opening together.

② Stitch the rim of the bag.
