- 2) 54" strips for backing

ASSEMBLY for 35 BLOCKS

1. For each block set, you will need:
 - 4) 2⅞" BLACK print #1 (cut diagonally for 8 triangles)
 - 4) 2⅞" print **A** (cut diagonally for 8 triangles)
 - 4) 2½" print **B**
 - 4) 2½" print **C**

2. Gather all 36 block sets before sewing to coordinate your colors. Arrange in a pleasing and high contrast manner. **TIP** - Paper plates make for excellent organization of sets, and can be stacked while waiting to be sewn.
3. Join (on the diagonal) black print #1 triangle to print **A** triangle to yield 8 triangle squares.

4. Assemble block. Make 35.

QUILT CENTER ASSEMBLY

5. Arrange all blocks in 7 rows of 5, making sure all blocks are in the same direction.
6. Join blocks in each row, and then join each row to complete the center of the quilt.

BORDERS

7. Join (on the diagonal) black print #2 triangle to print triangle (that were cut from 4⅞" squares) to yield 56 triangle squares.

8. Join 14 black/print triangle squares to make side borders. Make 2.

9. Join 12 black/print triangle squares to make top/bottom borders to complete the quilt. Make 2.

10. Join a side border strip to each side of quilt. Join the top and bottom borders to complete the quilt.
