Appliqué

Finishing

1. Trim the selvages from the 2 ½” darkest green inner border strips and sew the strips together end to end to make a long 2 ½” strip. From this long strip, cut (2) 52 ½” and (2) 48 ½” lengths. Stitch the shorter lengths to the left and right sides of the quilt top. Sew the longer lengths to the top and bottom.

3. Sew a 2 ½” cream square and a 2 ½” x 4 ½” matching cream piece to opposite sides of a 2 ½” colored square. Repeat to make a total of (64) units.

4. Using the quilt pictured on the cover as a guide, assemble (10) units from step 2 and (16) units from step 3 into (1) pieced outer border unit. Repeat to make a total of (4) units. Sew pieced border units to the left and right sides of the quilt top, noting orientation. Stitch an 8 ½” lightest cream square to each end of both remaining pieced border units and sew these borders to the top and bottom to complete the quilt top.

5. Layer the finished quilt top with batting and backing and quilt as desired.

6. Bind the finished quilt using the 2 ¼” darkest green strips.
