Notes

- Read the pattern in full before starting.
- ¼" seams are used throughout except where stated otherwise.
- Press after each seam, pressing seams open or to one side as preferred.
- WOF - width of fabric – a strip of fabric cut from selvage to selvage.
- BKG – background fabric

Cutting the fabrics

1. Use the orange peel template to cut the following numbers of orange peels from each of the fabrics A-L indicated in the diagram to the right

Fabrics	Cut
A, E, F	Twelve
B, C, D, G, H, I and K	Eight
J and L	Four

2. Cut the BKG fabric into:

- Nine 12 ½" WOF strips and cut those into twenty-five 12 ½" squares
- Seven 6 ½" WOF strips. Sew end to end and cut into two 60 ½" and two 72 ½" lengths.

Making the quilt top

1. For each fabric, trace a set of orange peels onto fusible web. For example, for fabric B, trace eight orange peels onto a piece of fusible web the size of a FQ.
2. Fuse the orange peel sheets to the back of the fabrics and cut out the orange peel shapes.
3. Use the diagram above to fuse sets of orange peels to 12 ½" BKG squares making sure to leave a ¼" seam allowance gap around the edge of the fabric. You will make four of each of squares 1-5 and one of square 6.
4. Sew around the edges of each of the orange peel pieces using a straight, blanket or zigzag stitch to secure.
5. Sew the blocks into five rows of five following the layout in the main quilt image. Sew the five rows together.
6. Sash the sides of the quilt top with the 6 ½" x 60 ½" then the top and bottom with the 6 ½" x 72 ½" BKG fabric strips.

Finishing the quilt

1. Cut the backing fabric into two equal lengths, remove selvages and sew together to make the quilt back.
2. Cut the binding fabric into seven 2 ½" WOF strips. Sew end to end using diagonal or straight seams as preferred and press wrong sides together along the length to make a double fold binding.
3. Make a quilt sandwich, basting together the quilt back, the batting and the quilt top.
4. Quilt as desired then trim the quilt square, removing excess batting and backing. We used Lecien Tsumugi #110 thread on the front and back.
5. Bind the quilt taking care to mitre the corners.
