Make The blocks

① Cut the two templates from the sewing pattern.

* Add a seam allowance of $\frac{1}{4}$ " (0.6)

② Paste the template to the cutting ruler and cut trapezoids from each color.

* Width of each form will be $2\frac{3}{4}$ " (7). Cut 10 colors, 6 pieces for each color.

③ Cut 72 pieces of triangles like the trapezoids.

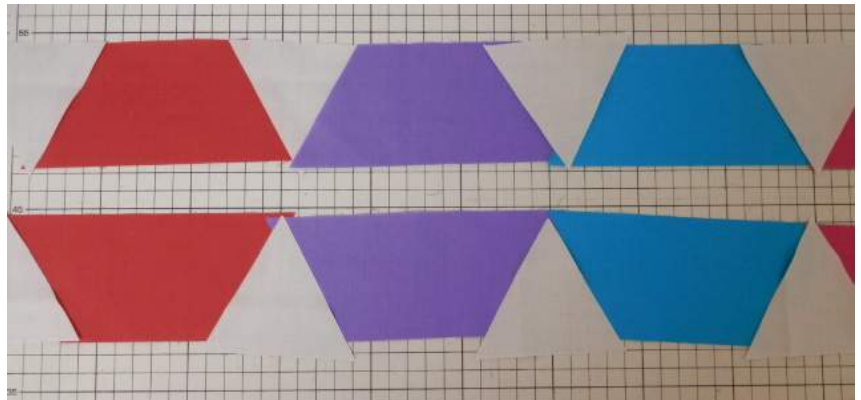

* Place the grain along the base of the triangle.

- ④ Prepare 10 colors of trapezoids, 6 pieces for each color and 72 triangles.

- ⑤ Sew the shapes together checking the composition.

Sew at 1/4" (0.6)

⑥ Cut 8 colors of strips with 1½" (3.8) widths, than cut them in four.

⑦ Repeat the 8 strips four times and sew them together in one piece.

*Split open the seam allowances.

⑧ Sew the trapezoids and triangles to the strips, above and below.

□ Mark the strips so the trapezoids are distributed equally, over and bottom.

⑨ Check the composition and sew them together.

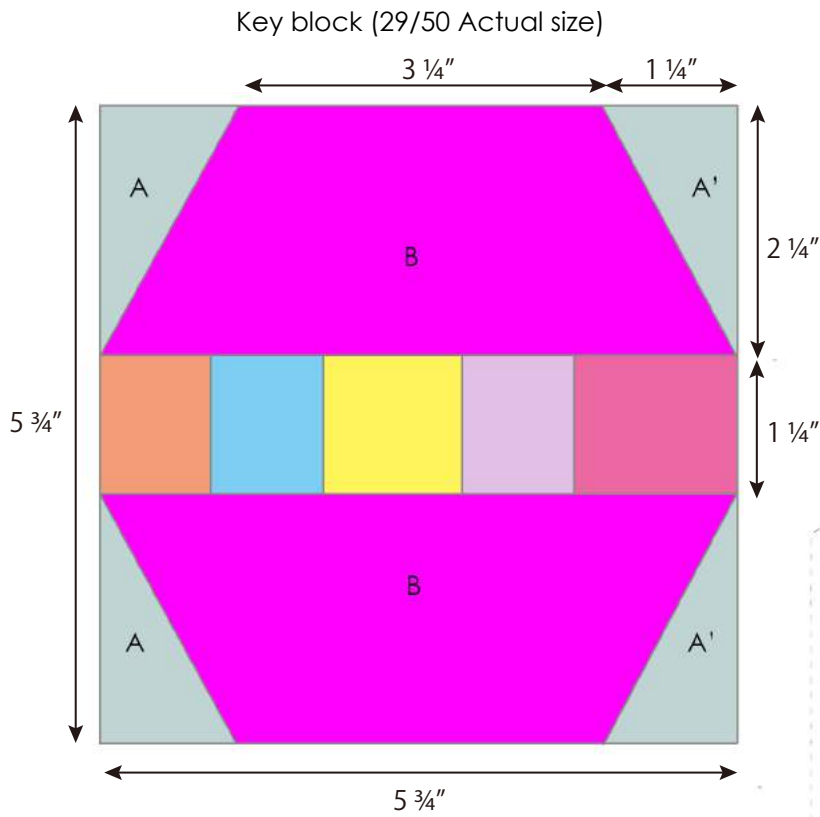

- ⑩ 1. Cut the sides at $29 \frac{1}{4}$ " (74.3), length $28 \frac{3}{4}$ " (73) plus $\frac{1}{2}$ " (1.3) seam allowance.
Leave the top and bottom as they are.
2. Attach a $5 \frac{1}{2}$ " (13.8) width border on all four sides.

- Apply the batting quilt and use a backing of your preference.
Machine quilt as you wish. Finished!
